

DECEMBER 15, 2019

CANINE BEHAVIOR SEMINAR

10 am – 4 pm

FREE TO MEMBERS & STUDENTS

Canine Body Language 10:00 am – 12:30 pm

Learn how to read, understand and respond to canine body language. This information will help you reduce conflict and miscommunication between you and your dog.

Lunch provided 12:30- 1:30 pm (donations welcome)

Predation 1:30 pm – 4:00 pm

The evolution of predations across species gives us amazing insight into understanding modern dogs' behavior. Learn how to better manage predation in dogs.

Meet the Presenters

Katelin Thomas is the founder and behavior consultant with K9 Turbo Training. Along with her degree in Psychology and Peace and Conflict Studies, she holds certifications through the International Association of Animal Behavior Consultants and the Certification Council for Professional Dog Trainers.

Kate Wilson is the Director of Training at K9 Turbo Training and is a Certified Professional Dog Trainer (CPDT-KA) as well as a Certified Behavior Consultant (CBCC-KA) through the Certification Council for Professional Dog Trainers. Kate earned her B.S. from Michigan State University with a focus in Applied Animal Behavior and Neurobiology.
