

CANINE BEHAVIOR SEMINAR

10 am – 4 pm

FREE TO MEMBERS & STUDENTS

Reactivity and Aggression 10:00 am – 12:30 pm

Understanding why dogs bark, growl, lunge, or display other reactive or aggressive behaviors is the first step to training. We'll discuss methods for management, training, and helping dogs feel safer in their environment.

Lunch provided 12:30- 1:30 pm (donations welcome)

Leash Foundations and Safety Cues 12:30 pm – 2:30 pm

Keeping reactive dogs safe during walks doesn't have to be difficult. Learn how to teach skills such as loose leash walking, auto check-in, and emergency recall.

Behavior Evaluations & Risk Assessments 3 pm – 4 pm

Learn how to gather information on a dog's history and current behavior in an effective, judgement-free way. This information is vital to determining what a dog needs to be safe and successful in a home.

Meet the Presenters

Katelin Thomas is the founder and behavior consultant with K9 Turbo Training. Along with her degree in Psychology and Peace and Conflict Studies, she holds certifications through the International Association of Animal Behavior Consultants and the Certification Council for Professional Dog Trainers.
